

JOSHUA M. EVANS

Joshua M. Evans travels the globe delivering high-energy keynotes and trainings to Fortune 500 companies, professional associations, and government agencies. He weaves together compelling content, actionable insights, and memorable stories in a unique way that empowers audiences to take immediate action. His quick wit and authenticity consistently generates feedback from attendees like the following:

“Joshua did an outstanding job! He captivated our audience by sharing personal stories, connecting his content to our world, and engaging with the entire audience! Joshua’s presentation was what we hope each of our professional events offer to our members- a sense of purpose and ability to use the content presented.”

- Faith Graf, Programs Director, GMA SHRM

When you’re ready to create an experiential event that captivates audiences with an impact beyond the bounds of the presentation, Joshua should be the first call you make! Joshua’s methodologies have been proven to drive engagement, enhance retention, attract great talent, and improve both customer and employee experience. Joshua blends his 15 years of workplace behavior research with his energetic style to make every event truly memorable for all audiences!

JOSHUA M. EVANS ► BIO

Joshua M. Evans is a #1 best selling author, TEDx programmer, keynote speaker, adventure seeker, and proud father of 3. He travels the globe empowering leaders and individuals with the tools to bring Purpose in the forefront of the future of work.

Joshua spent over a decade in the corporate world, beginning his career in the software technology space. After becoming the leader of a strategic development group responsible for \$70M in revenue, Joshua published his first best selling book, *Enthusiastic You!*.

It was this book that launched Joshua into keynote speaking where he could positively impact the lives of individuals and enhance organization cultures.

Joshua studied workplace behavior for over 15 years and has identified a critical missing element that is within most organizations and teams. This element enhances organizational culture, employee experience, and team effectiveness. That missing piece is Purpose.

Joshua's insights have been featured in *The War Street Journal*, *Harvard Business Review*, *Huffington Post*, and many others. His clients include Fortune 500 companies, professional associations, and Government Agencies.

Joshua lives in Texas spending his free time seeking out deep life experiences and adventures with his lovely wife and 3 spirited children.

PURPOSE OR PERISH

CULTIVATING THE FUTURE OF EMPLOYEE EXPERIENCE

Right now, in the modern world people are facing a level of uncertainty that has never before been experienced and it's having a significant impact on our teams and our work. It's causing people to become overwhelmed, burned out, unfulfilled, and lost. But it doesn't have to be this way.

We all started our work from an engaged and purpose driven place, but after months or years in a role, we lose sight of why we cared so much. We get stuck in the day-to-day minutia, the tasks, functions, and responsibilities in our roles. We forget what doing great work means to all those that depend on us. I want to help your audience remember.

In this session, leaders will:

- Obtain tools for cultivating a unique employee experience
- Learn how to enhance resilience and eliminate workplace toxicity
- Discover the secret for finding fulfillment and purpose beyond pay and benefits
- Find out how to rediscover, reclaim, and reconnect to a deeper sense of purpose

CHANGE, ENGAGE, EVOLVE

SIMPLIFYING ADAPTATION

The world is changing at a record pace and today's teams are tasked to do more with less. They are also expected to remain engaged while facing an unprecedented shift in the traditional workplace. Cultivating resilience in each employee is necessary during transitional times, and it starts with realigning each team member with the meaning of their role in their organization. Joshua's presentation will amp up the enthusiasm in your organization and rekindle engagement, commitment and trust between leaders and team members.

In this session Leaders will learn how to:

- Reduce the negative impact change has on an organization
- Empower their team to use change as a positive catalyst
- Combat common workplace traps and how to avoid the spread of toxicity within your teams
- Move their team beyond daily tasks and into a state of deeper purpose

CULTURE OF ENGAGEMENT

WHY & HOW TO BUILD PASSIONATE ENGAGED TEAMS

Each of us began our careers from an engaged place. On our first day of work every one of us was excited and intrigued. However, with such demanding roles it can be easy for us to lose sight of the meaning behind our work. What if we could learn to re-engage in our work? What would be the organizational impact if we could help every person find meaning and purpose in their role? In this session audiences will learn how to manage influences, direct perceptions, and build aspirations that create phenomenal organizational cultures with fulfilled employees and engaged teams.

Audience members will:

- Learn how to build an engagement focused working environment
- Obtain tools for effectively communicating to build positive organizational momentum
- Discover how to increase coworker engagement for authentic interactions
